As a proud Y's Dom member, I am truly honored to be entrusted with the opportunity to serve as the Area Bulletin Editor for 2025-2026, thanks to the confidence placed in me by our Area President, Ym. Adv. Babu George.

I am excited to announce that, for the first time in the India Area, AP NEWS will be launched and published monthly starting from July 2025. This marks a new chapter in our journey of communication and connection.

Area Secretary Message

Beloved Y's Family Members,

As we step into another meaningful Y's Dom year, let us take pride in being part of an organization that has crossed over a century in "Service to Humanity" and continues to move "Onward with Family."

Our Area President's theme for 2025–26, "Positive Thinking; Endless Opportunities," along with the slogan, "Nothing will change, until we change," gives us a powerful direction. Let us align ourselves with this vision to bring about positive change in society and deepen family involvement and bonding.

This year, our Area Major Project is "Renal Care and Dialysis a mission to provide free dialysis to patients suffering from renal failure. Through this, we aim not just to heal individuals, but to uplift entire families in need.

While community service and family-oriented programs remain our core, we must also focus on quality membership growth and image-building initiatives. These two go hand in hand—the more impactful our outreach, the more inspired and dedicated individuals we attract to our movement.

With just a year to make a difference, time is precious. Success demands unified, goal-driven action. Our unity is our strength, and with proper planning and sincere execution, we can accomplish remarkable things.

As the saying goes, "Well begun is half done," our immediate focus is the India Area Convention on Sunday, June 29th at Saj Earth Resort and Convention Centre, Nedumbassery. Let's work together to ensure it becomes a grand success—marked by strong family participation and the launch of meaningful service activities.

Our nine vibrant Regions and their dynamic Regional Directors and District Governors are the pillars of our Area. When this team works together with commitment and passion, truly great things can be achieved.

Wishing you all a fulfilling and impactful Y's Dom year 2025–26.
With warm regards,

Ym. Joseph Varghese
India Area Secretary
